Clinical Informatics (specific to SJHH/Dovetale)		With the launch of Dovetale at St. Joseph's Healthcare Hamilton, processes impacting ordering, scheduling, viewing results and billing have changed in certain departments. Each department's Manager/Director can inform you if the process has changed in their respective department, and how it should be followed. If necessary, please inform the Manager/Director if orders need to be built in Dovetale by Clinical Informatics for your study

HiREB Resource Signatory Guideline

Information regarding Question 18.4 on the GRA application - Confirmation of LPI Qualifications:

As the local PI you must obtain your Chief/Chair of department signature in Authorization Signatures Section 18; Q 18.4 of the GRA application. Note you cannot sign on your own behalf; you jeopardize your submission being returned if you sign in the Section. For clarification, we are providing the following example using the Department of Medicine:

- If you are affiliated with McMaster University in the Department of Medicine you will require sign off from the Chair, Dr. Mark Crowther crowthrm@mcmaster.ca
- If you are affiliated with the Hamilton Health Sciences Department of Medicine you require sign off from the Chief, Dr. Khalid Azzam azzamk@hhsc.ca
- If you are affiliated with St. Joseph's Healthcare Hamilton in the Department of Medicine you require sign off from the Chief, Dr. Madeleine Verhovsek verhovm@mcmaster.ca
